Examiner's Amendment

1. An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicants, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it must be submitted no later than the payment of the Issue Fee.

Please change the following:

In the claim:

Cancel claims 8-13

(these claims are non-elected invention. See Election/Restriction record).

Allowable Subject Matter

Claims 1-7 are allowed.

Reason for Allowability

The following is an examiner's statement of reasons for allowance: in combination with other limitations recited in the claims, the primary reason for the allowance is the including the following inventive features of a stator winding comprises a plurality of slot-housed portions being housed within each of said slots, wherein the slot housed portion having first and second opposite side are straight along their length, and third and fourth opposing sides are curved along their length (32a', Fig 4).

Comparing to the prior-art of the record, none of the prior art references of the record, either stand-alone or in combination, has taught or suggest the above-mentioned features in combination with other limitations recited in the claims.

Art Unit: 2834

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
